WORK EXPERIENCE

SOFTWARE DEVELOPER | *Moveo* | *Quito* | *Oct 2021 - Sep 2022*
I worked as a software developer junior, I was involved in the development of new functions on the website (backend). After the software and the mobile app were realised my job was to provide control of the daily operations.

TECHINICAL ANALYST | *ESPE-INNOVATIVA E.P.* | *Quito* | *May 2018 - Aug 2019*
Responsible for the control of bidding processes; administration, monitoring, and management of certain projects applying the PMBOK methodology. I also had experience in the management of foreign suppliers.

WEB DEVELOPER | *Concapcri* | *Quito* | *Jan 2018 - Mar 2018*
I built the web page for this company using WordPress and plugins related to education this company started to provide inline education.
